## Invitation to APCPH 2014

Dear colleagues,

On behalf of the Korea Public Health Association (KPHA), we are very pleased and honored to invite you to the 5th Asia Pacific Conference on Public Health (APCPH) "Health Asia - Multidisciplinary Approaches to Emerging Challenges". This conference will be held on the beautiful campus of Seoul National University in Seoul, Korea on April 10-11, 2014. Approximately 1,000 delegates from around the Asia Pacific region will take part in this exciting conference. As a public health expert, you will have an extraordinary opportunity to meet, interact, and network with leading professionals from the government, non-government organization, industry, and academic sectors of the region.

Please join us and enjoy the beautiful Korean spring, friendly atmosphere and renowned local cuisine.

See you in Seoul!

Best regards,
